A special meeting has been called for the city council tomorrow evening to accept the petition of the majority of the Main street property owners asking that the main trunk of the city be resurfaced with bituminous asphalt, a large percentage of the owners of real estate on the street seem to be in favor of the latter mode of improvement and it is quite likely that if that material is wanted by the majority that the council will pass favorably upon it. There is a quite a wide divergence of opinion as to what material would make the best surface, and the question may not be settled finally for some time to come.

CROSS OR FEVERISH HALF-SICK CHILDREN

Mean Their Bowels Are Waste-Clogged; Liver Sluggish and Stomach Sour.

Your child isn't naturally cross, irritable and peevish, Mother! Examine the tongue; if coated, it means the little ones' stomach is disordered, liver inactive and its thirty feet of bowels clogged with foul, decaying waste.

Every mother realizes after giving delicious "Syrup of Figs" that this is the ideal laxative and physic for children. Nothing else regulates the little ones' tender stomach, liver and bowels so effectively, besides they dearly love its deliciously sweet taste.

For constipated bowels, sluggish liver, biliousness, or sour, disordered stomach, feverishness, diarrhoea, sore throat, bad breath or to break a cold, give one-half to a teaspoonful of "Syrup of Figs" and in a few hours all the clogged up waste, sour bile, undigested food and constipated matter will gently move on and out of the system without griping or nausea and you will surely have a well, happy and smiling child again shortly.

With Syrup of Figs you are not drugging your children, being composed entirely of luscious figs, senna and anise, it cannot be harmful. Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious, safe, genuine old reliable. Refuse anything else offered.
